IMAM WAHYUDI

Coding & Informatics Teacher

Palembang, South Sumatra, Indonesia | +62 821 7804 2224 | imamwa19@gmail.com | linkedin.com/in/imam-wahyudi

PROFILE

Informatics teacher in Palembang who has taught junior and senior high school students at Brain Academy Center (Ruangguru) since 2023. Confident teaching programming from first blocks to real code: **Scratch**, **Python**, **HTML/CSS/JavaScript** and **PHP/MySQL**. Holds Dicoding certificates in programming logic, Python, web programming, JavaScript and front-end development, is an AWS re/Start graduate, and builds his own web projects on self-managed VPS servers. SMAIT Izzuddin Palembang alumnus, familiar with the school's boarding and tahfidz environment. Keen to run practical, face-to-face coding classes where students build working projects.

TEACHING EXPERIENCE
